## MEMORANDUM

DATE: July 30, 1990  
TO: Jerome D. Oskvarek, FITOM  
FROM: Charles G. Hall  
SUBJECT: Illinois/F05-8912-100/FIL0319SB  
Wood Dale/Venus Laboratories, Inc.  
ILD002992220

On Friday, July 20, 1990, the author conducted a drive-by inspection of the subject site. The site is located in an industrial park on Wood Dale's north side. No visual evidence of any construction activity was seen during the inspection. Current site conditions were documented with eight photographs. Most of Venus's property is occupied by its building and parking area. The land immediately behind and southeast of the Venus property is vegetated with weeds. Industrial buildings are located north, south, and east of the site and on the west side of Lively Blvd. A sketch of the site is attached.
